Chippenham, Corsham and Box Primary Care Network (CCB PCN)

Salary (plus inclusion in NHS Pension Scheme)

£21.50 - £23.40 hourly rate, approx. AfC band 8a

Temporary position to cover extended leave

12 months, with possible extension

Job Overview

Is this the rare opportunity you have been waiting for? Do you want to step up to a Senior Pharmacist role within primary care? Due to extended overseas leave, this dynamic, forward-thinking, and friendly PCN is looking for a Clinical Pharmacist to take on the day-to-day leading of their newly formed PCN Pharmacy team. You will already be a prescriber and have finished the recommended national pathway or equivalent. You will be aiming to develop your line management and leadership skills by becoming Senior lead for the team, in order to provide quality patient-care and medicines optimisation.

This temporary post will be funded through the NHS Network Contract DES for Additional Roles Reimbursement Scheme.

The successful candidate will work across the 5 GP Practices in the PCN, leading and developing medicines optimisation services. There are opportunities to utilise your prescribing skills including driving the Structured Medication Review service. The role will support the development and training of the existing 4 Clinical Pharmacists and 2 Pharmacy Technicians as they work through the national pathway.

We expect commitment and expertise in advising on medicines optimisation, safety and appropriate prescribing in line with local and national policies.

About us

The Chippenham, Corsham and Box Primary Care Network (CCB PCN) provides proactive and coordinated care across the local population of 58,000 people. We have a strong focus on health promotion and personalised care, supporting people to make informed decisions about their health and social care. Situated a few miles south of the M4, near junction 17 Chippenham, the main work location is at Hathaway Medical Centre, but can be across the entire PCN area.

Requirements

- you **MUST** have completed the 18 month national pathway or equivalent
- be a pharmacist independent prescriber
- meet the GPhC CPD requirements for registration on an annual basis
- Full driving license as travel will be required to surgeries, care homes and patients in the PCN area.
